RADD and Navy Region SW campaign partners and participating retailers in San Diego are honoring designated drivers. Sign the RADD designated driver pledge on the back of the license. When you're the acting designated driver for your friends, present your RADD-Navy card at any participating restaurants and bars in Pacific Beach to get free non-alcohol beverages.

Thanks for planning ahead! And keep checking the [www.radd.org/navy](http://www.radd.org/navy) website to see what other special offers are available to Navy cardholders at the Exchange and throughout greater San Diego.

## Designated Driver Pledge

As a designated driver, I pledge:

- > That I am 21 years of age or older.
- > That I will be or use a designated driver.
- > When I am the designated driver, I will not drink alcohol beverages and will provide responsible transportation for all members of my group.
